**Remuneration Packages for Staff in the Top Three Tiers
of Subvented Non-governmental Organisations**

Review Report for the Reporting Year of 2021-22

**Remuneration Packages for Staff in the Top Three Tiers
of Non-governmental Organisations (NGOs) operating Subvented Welfare Services**

Review Report for the Reporting Year of 2021-22

According to the Lump Sum Grant Manual, NGOs receiving recurrent subventions of not less than \$10 million a year and such amount exceeds 50% of their operating income pertaining to services / programmes within the welfare purview are required to submit the "Review Report on Remuneration Packages for Staff in the Top Three Tiers" (Review Report), and regularly review the number, rank and remuneration packages of their senior executives in the top three tiers.

NGOs currently exempted from completing and disclosing their Review Report are encouraged to consider making public the remuneration information of such staff in order to enhance their public accountability and promote the public's understanding of NGOs' financial position.

In cases where the top three-tier positions of the NGO (or of a particular division, e.g. social service of the NGO, where appropriate) are funded entirely by the NGO's income from sources other than the Government, other senior staff of the NGO (or of its particular division) occupying the subsequent three-tier positions may be covered subject to the NGO's particular circumstances such as its organisational structure.

[Please read the explanatory notes before completing this form. The completed form should reach the Social Welfare Department (SWD) through electronic submission by 31 October 2022.]
